Dear Supervisors:

**RESOLUTION APPROVING ISSUANCE OF MULTIFAMILY HOUSING REVENUE
BONDS FOR WARWICK TERRACE APARTMENTS IN UNINCORPORATED
COMPTON (2)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the acquisition and minor rehabilitation of the Warrick Terrace Apartments, a 108-unit affordable multifamily housing development, located at 14921 South Stanford Avenue in unincorporated Compton is exempt from the California Environmental Quality Act (CEQA), as described herein.
2. Adopt and instruct the Mayor to sign a Resolution, as required under Section 147(f) of the Internal Revenue Code of 1986, approving the issuance of Multifamily Housing Revenue Bonds by the California Statewide Communities Development Authority (CSCDA), in an amount not exceeding \$11,500,000 to assist the Concerned Citizens of South Central Los Angeles (the Developer), to finance the acquisition and minor rehabilitation of Warwick Terrace Apartments, a 108-unit affordable multifamily housing development located at 14921 South Stanford Avenue in unincorporated Compton.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve the issuance of Multifamily Housing Revenue Bonds by the CSCDA to finance the acquisition and minor rehabilitation of 108 units of affordable housing within unincorporated Compton. The County of Los Angeles is a member of the CSCDA joint powers authority.

FISCAL IMPACT/FINANCING:

No County costs will be incurred. The Developer will pay all fees and related costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The development will consist of the acquisition and minor rehabilitation of 20 one-bedroom units, 52 two-bedroom units and 36 three-bedroom units in eleven 2-story apartment buildings located at 14921 South Stanford Avenue in unincorporated Compton. Minor rehabilitation consists of the purchase and installation of a utility sub-metering system and the purchase of office equipment and furniture. Forty-four of the units will be reserved for very low-income households with incomes that do not exceed 60 percent of the area median income (AMI) for the Los Angeles-Long Beach Metropolitan Statistical Area (MSA), adjusted for household size, as determined by the U.S. Department of Housing and Urban Development (HUD). The remaining sixty-four units will be reserved for low-income households with incomes that do not exceed 80 percent of AMI. These affordability requirements will remain in effect for a minimum of 30 years.

Bonds will be issued by the CSCDA, which was organized pursuant to a joint exercise of powers agreement entered into by a number of California cities and counties, including the County of Los Angeles, pursuant to the provisions of the Joint Powers Act, Section 6500, et seq., of the California Government Code. Under the Joint Powers Act, the CSCDA is authorized to issue bonds, notes, other evidences of indebtedness or certificates of participation in leases or other agreements in order to promote economic development, including the provision and maintenance of multifamily housing.

Your Board must approve issuance of the bonds because Warwick Terrace Apartments is located within unincorporated Compton.

On November 16, 2006, the Community Development Commission conducted a public hearing at its office located at 2 Coral Circle in the City of Monterey Park, regarding the issuance of multifamily bonds to finance the Warwick Terrace Apartments, pursuant to Section 147(f) of the Internal Revenue Code. No comments were received at the public hearing concerning the issuance of the bonds or the nature and location of the projects.

The attached Resolution has been prepared by Jones Hall, Bond Counsel to the CSCDA, and has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (a)(3)(ii), this project is excluded from the National Environmental Policy Act (NEPA), because it involves activities that will not alter existing environmental conditions. It is also exempt from the provisions of CEQA, pursuant to State CEQA Guidelines 15301, because it involves negligible or no

expansion of use beyond what currently exists and does not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT PROJECT:

The proposed actions will increase the supply of affordable multifamily housing in the County.

Respectfully submitted,
